President & Owner

Masters-Hall Appraisal is a commercial real estate appraisal firm dedicated to its clients' success by providing the most up-to-date narrative appraisal reports that go beyond the minimum compliances and requirements of the Uniform Standards of Professional Appraisal Practice (USPAP) and the Federal Institutions Reform, Recovery and Enforcement Act (FIRREA). Our attention to detail and prompt client service has allowed Masters-Hall Appraisal to establish a large client base that ranges from local, regional, and national banks, attorneys, mortgage brokers, accountants, real estate developers, real estate brokers and agents, loan officers, municipalities, and individuals requiring professional appraisal services throughout Wisconsin. Each of our appraisal reports is uniquely tailored to exceed our clients' expectations with the most cost effective methods. As our clients continue to assist in the establishment of our solid business foundation, in return, we are committed to making a bold and lasting presence in the real estate appraisal services industry through timely delivery and valued investments.
